Through careful design and attention to detail, Sterns Pools have created a modular pool that is highly resistant to corrosion and suitable for saltwater or liquid chlorine. We have achieved this by replacing traditional metallic components with resin parts and adding extra protection to any non-replaceable metallic components. With a 10 year limited warranty, our resin pools are sure to give you years of pleasure.

Features

- Resin top coping replaces metal – rounded for safety and ribbed for grip
- Resin vertical posts replace metallic posts
- Top coping and vertical posts are fully UV-treated for the demands of the Australian climate
- Metallic components have been electro-coated for added protection to the existing galvanic protection
- Updated resin post plates and top rails
- Australian Made
- Marine grade nuts and bolts – designed for saltwater use.

Choose your liner

Every Sterns Pool comes with a light or dark liner as standard, however we also offer a variety of premium printed liner options. All liners are made by Sterns Pools from true 0.5mm heavy duty material and are backed by our 10 year limited warranty.

Each local council has its own set of regulations concerning the installation of modular pools. Sterns Pools recommend that you contact your local council to be certain of regulations before commencing installation.
