

Bahama Keyhole

Bahama Keyhole

The Keyhole pool is an extension of the Bahama Braceless range, with the added benefit of a deep end and an eye catching keyhole shape. Just like the Bahama, the Bahama Keyhole is made from the best components to ensure years of hassle free enjoyment. Its braceless design is constructed using quality materials from BlueScope Steel. The Bahama Keyhole is engineered for both inground and above ground installations and is covered by our 20 year warranty.

Features

- Exclusive non-slip 170mm wide top coping with rounded edges for added safety
- Braceless design minimises excavation and creates a streamlined look when installed above ground
- Unique keyhole shape enables an excavated deep end of approximately 1.8m in depth
- 1.37m wall height is the tallest available in the market giving you greater water depth
- True 0.5mm heavy duty liner as standard
- Available in woodgrain and sandstone colour schemes
- Marine grade nuts and bolts – designed for use around water
